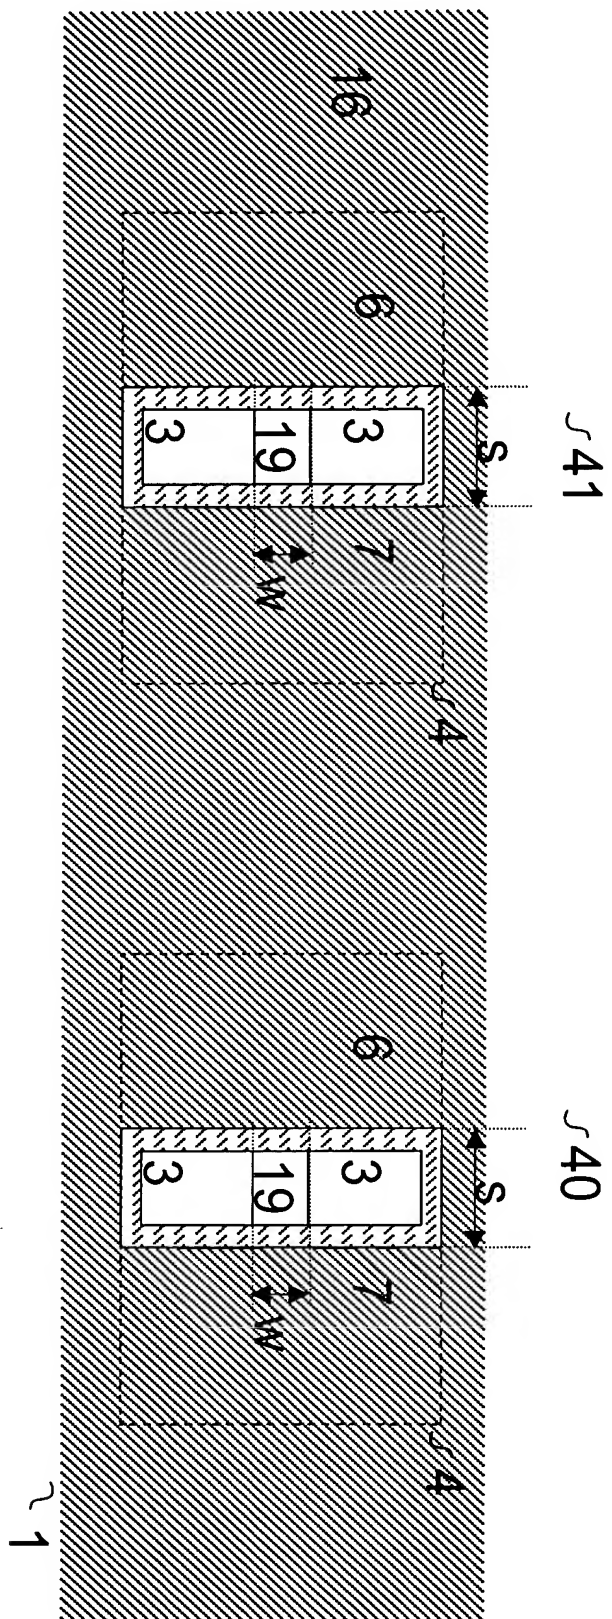

Figure 7b

Figure 20 is a schematic diagram of a multi-layered structure, likely a semiconductor device, showing two identical repeating units. The top unit consists of layers 15, 16, 24, 6, 8, 7, and 5. The bottom unit consists of layers 14, 222, 6, 8, 7, and 5. A central layer 3 separates the two units. Labels 21, 41, and 40 point to specific regions within the units.
